Campaign and Research Consultant

Advised on issues, strategy, and organization; and directed investigation of opponents.

May 1975-  
September 1977

METROMEDIA TELEVISION NEWS

Investigator, Writer, Associate Producer, Assignment Editor and News Coordinator

Investigated political and government corruption, including:

Nassau Republican Party's extortion of salary kickbacks from Nassau County employees, the story helped convict two of the party's leaders; and

illegal kickbacks between medicaid-methadon clinics and medical laboratories, this story led to partial reform of New York State's medicaid system.

Co-wrote news shows, decided which stories to cover on the weekends, organized and directed film cutting and bartered for reports from other stations.

January 1975-  
May 1975

COMMITTEE TO RE-OPEN THE ROBERT F. KENNEDY  
ASSASSINATION CASE

Investigator and Organizer

Investigated the circumstances of Robert Kennedy's assassination; assisted Allard Lowenstein in organizing the committee to gain public support for re-opening the case. California authorities re-examined some of the evidence but reached the same conclusion as in 1968, that there was no conspiracy.

January 1974-  
December 1974
