"Not look to do it"

bullet 1" range that killed RFK - Coroner's Report

Eye witnesses Sirhan 2 to 4 ft
Pete Hamill backs up

Time & Newsweek alleged Wm Harper - ballistics
man repeated affidavit - not true

Ques ~~Can~~

1. Ballistics Nat - (Test firing gun)
2. Distance
3. Bullet holes

Sirhan's Def - Inane

Lawyer of knew what knows now would of
A def.

Issue - what happened; not what Sirhan thought

Ques - did Sirhan shoot RFK

Auth refuse to test fire Sirhan's gun
Ques ducked by authority

FBI Agent Drum out of FBI - KKK connection

Al - Responsible "middle" body

Character Assassination.

Efforts - lost balance ^{just} by raising ques.

1 yr with LA Auth before Public - still refused to answer ques.

RFK - gave orders not to be involved in any ques in Dallas

(What's LA police homicide record?)

FBI - unfamiliar with homicide invest.

Theory - logical to have loose nut as escape goats make public believe "they" did it

LA Argue - if someone else shooting someone would I see

Careful Invest in LA would prove eyewitness of other guns

[Accessories after Fact ^{- Sylvia Morris} - about Dallas]

Can't prove neg but Auth use Character Assassination instead

Auth central road blocks - DA & Chief of Police
- if Sirhan ask ok but
Sirhan has asked - see in court

Judicial Process - can be denied on technicality

LA Times refuses to print

Newman Activation - Composition of slug

bullet in neck - 1 canna / ear

bullet in skull - undeterm.

Other bullets - 2 canna / ears

Shells in Sirhan's gun of brand that includes only 2 canna / ears

DA explains - slug from neck could have been substituted

but Noquich's initial on bullet

CBS LA Interview

Autopsy Report - Bullet killed RFK
1" from behind ear

Grant Cooper - Sirhan's Att

Overlapped conclusion before trial

Failure for Auth to deal with facts

Ques of things that need to be looked at
